BOGUE NEWS - LIZ VANLOENEN

A big thank you to the Graham County Health Dept. for coming to Bogue to give flu shots.

Liz VanLoenen attended the State high school rodeo Sat. and Sun. afternoon. It is amazing to see all of the trailers and campers that fill the fair grounds. They are solid from the co-op to the river. The high school FFA students do a wonderful job of hosting this every year. This is the last rodeo this fall till they attend Nationals in the spring. There were 58 contestants for barrel racing, 7 in steer wrestling, 24 in calf roping, 48 in break away, 12 in bull riding, 41 in team roping, and 25 in goat tying.

I will be glad when the election is over. If you believed the ads on TV, you wouldn't even vote.

Word was received this week that Doris Williams passed away Sunday, Oct. 11th. Her funeral is Monday, Oct. 19 at 10 am in Lyons and burial in Hill City 4 pm.

There are big plans for the Bogue Bash Halloween Carnival to be held Oct. 31st.

Word was received of the death of Susanne Johnson , wife of Terry Johnson, in Lawrence.

Several farmers are planting wheat and cutting corn and milo.

Prairie Trails Golf Course News

Cool Night For Men's Tuesday Golf

by Bob Dombroski

A thirty-degree difference in temperature was welcome relief for most players during Men's Tuesday Night Golf at Prairie Trails Golf Course in Hill City on October 13. The previous Tuesday reached over 90 degrees while this past week it was 61 degrees at the start of play during a scramble round. Anyone 70 and over played from the front red tee's while everyone else played from the gold tees creating a shorter course due to impending darkness. Twenty-one linksman formed four-man teams and three-man teams.

The squad consisting of Brock Kibel, Landon Jones, Chris Orr and Scott Roberts ended the evening at 29, one stroke better than Tate Balthazor, Noah Fry, Gary Long and Kendall Nuss who placed second after a scorecard playoff against Don Newell, James Baldwin and Bob Dombroski.

A scorecard showing a score of 32 was turned in by Justin Balthazor, Michael Otta, Austin Rivera and Chase Meitler (Plainville). Chris Normandin, Fab and Fred Owen also settled at 32.

Rusty Harmon, Brent Kelley and Cameron Atkins finished at 36.

Chris Normandin was closest to the pin on Hole No. 2 . Receiving $20 cash from The First State Bank. Kendall Nuss took home a cleaner kit from Nex-Tech Wireless and $10 cash from long time sponsor, Nex-Tech, after a long putt on Hole No. 5.

Brent Kelley was closest to the pin after reaching the dance floor on Hole No. 6. He will enjoy spending $20 worth of Ringneck Bucks courtesy of Solutions North Bank. Tate Balthazor had the longest putt of the night on Hole No. 9 and accepted golf balls and koozie from Hill City Pharmacy and $10 cash from Outdoor Bank.

Gary Long and Bob Dombroski each grabbed a sleeve of golf balls and koozie after a drawing sponsored by Hill City Pharmacy.

October 7 will be the last Men's Tuesday golf gathering for 2026. Get there early as play begins at 5:15 PM. Sign up at 5:00 PM and closing at 5:10 PM. This will enable us to finish before darkness sets in. C'mon out for the last hurrah of the year with many ways of winning!

The driving range has been closed for the winter; range balls will not be picked up. Tee markers will be moved to their winter positions during the first week of November.

Commission Meeting Minutes

October 6, 2026

Commissioner Irby called the meeting to order at 10:00 am with the flag salute with Commissioner Irby, Commissioner Nelson, Commissioner Crouch, County Clerk Kendra Robinson & Jonathan Gleason, Graham County Hospital CEO all present.

Graham County Hospital CEO, Jonathan Gleason

Jonathan reported that the hospital had submitted its application for the Evidence-Based Practices Grant and anticipated receiving the grant funding within approximately 30 to 60 days. Jonathan noted that the clinic site visit was scheduled for the 21st of this month. Jonathan reported that the 340B Rebate Pilot Program would begin in 2027. He emphasized that he wanted taxpayers to understand that there would be no cost to them for the administration of the 340B program. Jonathan advised that he had sent an email to Clerk Robinson requesting a letter of support and had included a template for the letter. Clerk Robinson advised that she would review the email and act accordingly. Commissioner Irby advised that he had spoken with a gentleman regarding insurance and had received a packet of information for Jonathan to review and use to make contact. Commissioner Irby advised that the Board had received an email regarding the appointment to the Hospital Board. Jonathan reported that the concerns outlined in the email were not the only concerns regarding the appointment and that additional concerns had been expressed by members of the hospital leadership team. Commissioner Irby advised that the Board was trying to ensure the process was fair to everyone. Jonathan stated that his primary concern was the sustainability of the hospital. He explained that each Hospital Board member is required to complete a conflict-of-interest form and expressed concern that Brandy may have conflicts that would need to be disclosed on that form. Jonathan noted that he was confident everyone could work together and move forward for the benefit of the community regardless of who the board appointed.

Graham County Landfill Supervisor, Chris Mikkelson

Chris presented a bid from Befort Trucking to haul the County's trash to Garden City. Chris noted that the bid included an additional charge of $6.90 per ton for bobtailing the tractor to Hill City to hook onto the trailer. Chris also advised that Befort Trucking is currently charging Hays $40.50 per ton. Chris reported that he was projecting a rate increase at the beginning of the year, noting that the County's landfill rates have remained low for an extended period of time. Chris advised that, at this time, paying to have the trash hauled was the most cost-effective option for the County. Commissioner Nelson reported that the Board would need to review the information further. Commissioner Irby agreed and advised that he would like to review the numbers to determine which option would be the most financially beneficial for the County.

Graham County Road & Bridge Supervisor, Steve Kreutzer

Steve reported that Road & Bridge employees were out blading roads. Commissioner Irby reported that he had received a call from Evan Lesser regarding 350th Road and noted that the road needed some work. Commissioner Nelson reported that 290th Road near the rock quarry also needed work, along with Goddard Road. Commissioner Nelson also inquired about the road north of the transfer station that Worcester's had previously called about. Steve reported that Wyatt and Taylor had been working on that road. Commissioner Irby noted that the Board wanted to thank Lucas Michael for working late on Friday, as well as Cliff Rohr and Josh Fountain for working on Saturday. Steve reported that he planned to hire a part-time employee and was also considering hiring an additional full-time employee. Steve reported that they had been able to get all of the pickups ready for the upcoming auction and still had a few additional pieces of equipment to prepare. Commissioner Irby advised he would be looking into the classes offered by KWORCC free of cost to the county to potentially lower insurance premiums.

New Business, Part 1

Clerk Robinson reminded the Board that there would be no regular Commissioner meeting on Tuesday, November 3, 2026, due to the General Election. Clerk Robinson presented updated signature pages for the County's CDs for Commissioner Irby's review and signature. The Board reviewed the documents, and Commissioner Irby signed the updated signature pages. Clerk Robinson also presented the abstract of the Commissioner minutes from September 22, 2026, for the Chairman's review and signature. Commissioner Irby reviewed and signed the abstract.

Court Services, Lisa Dusin

Lisa reported that Court Services was currently being moved between the Commissioner's Room and the jury room as space was available. Lisa noted that the jury room presented safety concerns and requested that Court Services be allowed to utilize the vacant Community Development office. Lisa acknowledged that the Election vault was also located within that office and stated that she did not foresee any issues with the Election Office accessing the space as needed. Clerk Robinson advised that County Treasurer Bri Edwards had also previously inquired about relocating the driver's license equipment to that room. Lisa and the Board left the meeting room to view the vacant office and determine what would be needed to accommodate Court Services. Following the review, the Commissioners agreed to allow Court Services to utilize the vacant office space once it was cleaned out and prepared for use. Commissioner Irby requested approximately two weeks to have the office cleaned and ready for Court Services.

New Business, Part 2

Clerk Robinson asked the Board whether County offices would be closed on Columbus Day, Monday, October 12, 2026. Clerk Robinson noted that regardless of the Board's decision, the Clerk's Office would remain open due to filing deadlines. Following discussion, the Board agreed that County offices would remain open on Columbus Day, as it is not a designated holiday listed in the County Employee Handbook. The Board dis-

cussed the vacant Hospital Board position and the two individuals who had previously been interviewed for the position. Commissioner Irby advised that, after considerable consideration, he would make a motion to appoint Brandy Born to serve the remainder of the vacant Hospital Board term. Commissioner Crouch seconded the motion. Motion carried 3-0.

At 11:18 a.m., the Board recessed. At 11:30 a.m., the Board reconvened in regular session.

Flock Safety Presentation

The Board, Clerk Robinson, Sheriff Les Burton, and community member Colleen Couey participated in a Zoom presentation hosted by Ronnie Griggs with Flock Safety. Ronnie and an additional Flock Safety representative presented information regarding the Flock Safety system via shared screen. Commissioner Irby reported that he had received considerable feedback from constituents expressing concerns that Flock Safety cameras were being used to spy on citizens and could infringe upon their privacy. Flock Safety representatives advised that there is a significant amount of misinformation regarding the system and explained that the County would control who the information is shared with and who is authorized to conduct vehicle searches within the application. Ronnie explained that Flock Safety operates under a subscription-based model and that repairs and maintenance of the equipment are included. Commissioner Irby inquired whether the County would relocate the cameras already in place, replace them, or add additional cameras. Sheriff Burton advised that his intention would be to add additional cameras. Commissioner Irby inquired about pricing. Ronnie advised that the basic LPR system costs $3,500 per camera annually and is typically offered under a three-year contract, although the contract term could be negotiated. Ronnie also advised that the LPR Pro system costs $4,500 per camera annually but stated that he believed the basic LPR system would be sufficient for Graham County's needs. Commissioner Nelson noted that the Board would need to further discuss the information before determining how to proceed. Commissioner Irby requested that Flock Safety provide informational brochures and a pricing sheet for the Board's review.

New Business, Part 3

Sheriff Burton presented two bids for the purchase of a Sheriff's Office pickup. The first bid, from Long McArthur, was in the amount of $51,156.00, and the second bid, from B&E, was in the amount of $47,375.00. Commissioner Irby advised that the Board would need to review the bids and further consider the purchase. Sheriff Burton advised that he planned to obtain financing through a local bank to purchase the pickup. Commissioner Nelson advised Sheriff Burton that he should obtain interest rate quotes from the banks to ensure the County utilized the financing option with the lowest interest rate. Sheriff Burton advised that he would contact the banks for their current interest rates and proceed with the lowest available rate.

Commissioner Irby made a motion to enter into executive session for 10 minutes to discuss non-elected personnel, with the Board and Clerk Robinson present. Commissioner Nelson seconded the motion. Motion carried 3-0. The Board entered into executive session at 12:53 p.m.

At 12:58 p.m., the Board reconvened in regular session. Commissioner Irby reported that no decisions were made during the executive session.

Commissioner Irby reported that the Board had received a letter from DSNWK requesting a letter of support and asked whether the Board would like him to prepare the letter. The Board agreed that Commissioner Irby would prepare the letter of support for DSNWK. Commissioner Irby asked Clerk Robinson to notify Jonathan with the hospital, as well as the two individuals interviewed for the vacant Hospital Board position, of the Board's decision regarding the appointment. Commissioner Nelson made a motion to approve the minutes from September 28, 2026, and September 29, 2026. Commissioner Crouch seconded the motion. Motion carried 3-0.

With no further business to come before the Board, Commissioner Irby moved to adjourn the meeting. Commissioner Crouch seconded the motion. Motion carried 3–0.

HOUSE CONCURRENT RESOLUTION No. 5004

A PROPOSITION to amend section 1 of article 5 of the constitution of the state of Kansas to require individuals to be citizens of the United States, at least 18 years of age and a resident of the voting area in which such person seeks to vote in order to vote in this state.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Section 1 of article 5 of the constitution of the state of Kansas is hereby amended to read as follows:

"§ 1. Qualifications of electors. ~~Every~~(a) *No person shall be deemed a qualified elector unless such person:*

(1) *Is* a citizen of the United States ~~who~~;

(2) has attained the age of eighteen years; and ~~who~~

(3) *except as provided in subsection (b) or (c)*, resides in the voting area in which ~~he or she~~ *such person* seeks to vote ~~shall be deemed a qualified elector.~~

(b) Laws of this state relating to voting for presidential electors and candidates for the office of president and vice-president of the United States shall comply with the laws of the United States relating thereto. A citizen of the United States, who is otherwise qualified to vote in Kansas for presidential electors and candidates for the offices of president and vice-president of the United States may vote for such officers either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of this state if ~~his or her~~ *such person's* removal from this state occurs during a period in accordance with federal law next preceding such election.

(c) A person who is otherwise a qualified elector may vote in the voting area of ~~his or her~~ *such person's* former residence either in person or by absentee ballot notwithstanding the fact that such person may have become a nonresident of such voting area during a period prescribed by law next preceding the election at which ~~he or she~~ *such person* seeks to vote, if ~~his~~ *such person's* new residence is in another voting area in the state of Kansas."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"*Explanatory statement*. This amendment would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

"A vote for this proposition would clarify that only a person who is a citizen of the United States is eligible to vote in this state.

"A vote against this proposition would make no change to the constitution of the state of Kansas, and the language concerning voter qualifications would remain the same."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2026, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case the proposed amendment shall be submitted to the electors of the state at the special election.

Motorists encouraged to be on the lookout for deer

While deer can be spotted near roadways any time of the year, motorists should be especially vigilant in the fall for deer crossing roadways due to the "rut," or mating season, a time when deer are frequently on the move.

"When a deer enters the roadway, drivers may be tempted to swerve. That can lead to a loss of control, leaving the roadway or a collision with oncoming traffic," said Kansas Highway Patrol Lt. Chad Crittenden. "Drivers are often safer when they brake firmly and stay in their lane."

That's why the Kansas Department of Transportation, Kansas Highway Patrol, Kansas Department of Wildlife and Parks and AAA Kansas are working together to raise awareness and help drivers avoid collisions with deer.

"Deer are focused on mating and not paying attention to hazards like vehicles," said Levi Jaster, KDWP Big Game Coordinator. "Bucks are looking for does, and with crops out of the fields and leaves off the trees, deer have fewer places to stay concealed. That means motorists are more likely to encounter deer on or near roadways, especially at dawn and dusk."

One person was killed and 692 people were injured in the 10,742 deer-vehicle crashes on Kansas roadways in 2025. Across the state, 40% of all single-vehicle crashes in 2025 involved a collision with a deer.

Andrew Booth, Kansas Turnpike Authority Safety Coordinator, encourages motorists to stay focused, reduce distractions and drive at a safe speed to increase safety when deer are near the roadway.

"In the event a driver hits a deer, help is available by dialing *KTA (*582) when traveling on the turnpike or *47 to reach the Kansas Highway Patrol," Booth said.

Shawn Steward, Public Affairs Manager for AAA Kansas, said that besides the inconvenience of your vehicle damage, the cost of repairs may put a serious dent in your wallet.

"AAA insurance statistics show the average claim in Kansas for an animal strike in 2025 was almost $7,900 – up 42% in the past five years," Steward said. "This is largely due to advanced vehicle technology such as cameras and sensors."

Roadway safety officials suggest drivers:

- Be watchful at dawn and dusk; deer are more active and seldom travel alone.
- Reduce speeds near wooded areas and water sources.
- Always wear a seat belt and use appropriate child safety seats.
- Use bright headlights when there is no oncoming traffic. The deer's eyes often reflect.
- Do not swerve. This can cause motorists to veer into oncoming traffic, run off the road, hit objects or overturn.
- If you strike a deer, move the vehicle to the roadway's shoulder and call law enforcement: KHP dispatch at *47, turnpike users at *582 or local law enforcement at 911.
- Contact your insurance company to report damage.

Trump brings energy to Wichita

I had the opportunity to cover the Marshall Rally in Wichita.

We arrived really early and there was already no parking room. People were walking miles to get to the front door. Many were turned back due to the strict regulations on bags. I will say this event was high security with multiple check points.

Many familiar faces were at the event Senator Marshall, Ty Masterson, Ted Nugent, and of course President Trump were some of those most anticipated. Kobach was also there and gave us statistics on crime and funding that have been achieved over the several years.

Ty Masterson focused on how taxes are kicking our elderly out of their homes. He talked about building a greater Kansas for the generations after us, as he wants to leave his grandchildren with more than what his generation was able to get. He is pushing for more affordable living across the state.

Roger Marshall focused on supporting our troops and veterans. Also bringing to light speculations on Adam Hamilton participating in drag shows and not reporting one of his ministers molesting two children. Marshall stated "Adam Hamilton sat on the report for a year before going to the police".

Ted Nugent was a bright star on the stage as he came out to the mic with Rock'n Roll music blaring. Nugget said "I got a call from the President this morning while in my tree stand in Michigan, he said"Ted I need you down in Kansas today". I don't get out of the tree stand for NOONE except for FREEDDOM!!!!". A roar started across the stadium as the attendees chanted "U S A".

After a long wait, President Trump came to the stage, but before entering the stage one of my favorite hymns played, "How Great Thou Art" reimagined by Elvis Presley. Trump wanted to let people know how important it was to get out and vote. Trump then informed the public of everything going on in France. This also holds a warning to the American people to fight against the same thing from happening here.

Although there were a few that came with malicious intent, the rally was fun and a new experience for me.
