

MERRY CHRISTMAS!

"What is this?", you ask? I'll be glad to tell you! In order to create an absolutely phenomenal Christmas insert, Dickinson County students from Chapman, Herington, and Hope Elementary schools were asked to participate in a project for this year's super awesome Christmas edition.

Here's how it works: All letters written to Santa, from Kindergarten through 2nd grade students, and turned into our office are in this edition. As you can see in the picture above, Santa will be receiving an early copy of this edition so that all letters will be delivered to him.

3rd and 4th grade students were asked to draw a Christmas greeting card. Individuals, businesses, and organizations were asked to sponsor these drawings so that we could share them with our readers! They were also asked to draw a New Year's greeting for our Dec. 30th edition. Be on the lookout for those as well!

All drawings submitted will be displayed in our office at 6 South Broadway in Herington and you are more than welcome to stop by and check them out (along with our new office space)!

I just want to take a little bit to stop and thank all of you who helped make this insert possible. You are awesome! I am truly grateful for the opportunity to create a Christmas section focused on the kids, for the teachers who incorporated our project into their class-time and got the letters and drawings back to me, for my coworkers picking up some of my slack while I was getting this together, and for my boss who gave me a whole lot of freedom in putting this all together. I hope your families enjoy it as much as I have and I definitely look forward to doing it again!
